

CADSEALAND

INTERREG III-B CADSES Programme 2000-2006

Mechanisms of Erosion THEORY & APPLICATIONS

NATIONAL TECHNICAL UNIVERSITY OF ATHENS

December 19, 2006

The Laboratory of Hydrology and Water Resources Management of the National Technical University of Athens (NTUA) organizes a one-day conference, within the framework of the E.U. sponsored project "CADSEALAND" (Land-sea interaction: coastal state and evolution in CADSES), on the following topic: «Mechanisms of Erosion: Theory & Applications».

The conference will be held Tuesday, December 19, 2006 on the NTUA campus.
